

CPSC UNIVERSITY

Over the last year, at the request of the Board, CPSC increased outreach and impact directly with students and campuses. Below are some of the highlights and accomplishments from 2024, continuing into 2025.

CPSC INTERNS FROM:

CALIFORNIA STATE UNIVERSITY
LONG BEACH

CPSC staff participated with:

- 11 University Campuses**
- 12 Class Lectures**
- 13 Capstone Projects**
- 2 Advisory Boards**

Intern Madeline Franco from CSU Long Beach received course credit for assisting CPSC with the Santa Barbara Textile Workshop.

CPSC hosts a university textile working group that provides a platform for students to present research and program updates from their campuses. It empowers them to lead textile recovery projects, collaborate with industry, and drive research in textile circularity and policy solutions. The U-STRAT included:
