

## **Nate Pelczar** **Program Manager**

### Biography

Nate joined the California Product Stewardship Council (CPSC) in 2018 as the Program Manager. He works on the organization's various projects related to the reduction of hazardous waste and the promotion of producer responsibility for end-of-life management.

Nate received a Master of Public Affairs degree from Indiana University in 2005 with an emphasis in public policy analysis. He worked as a professional services manager, management consultant, and compliance subject matter expert for over a decade, serving public sector clients (federal, state, and local governments) and private sector clients (financial institutions, software companies, retail).

Originally from the Midwest, Nate is an avid outdoorsman and spends his free time hiking, camping, backpacking, and traveling the world.
